Job title: LOS Vehicle Access & Parking Operations Coordinator

Hierarchy level: Coordinator

Full/part-time (%): 100%

Start date: 01/04/2020

End date: 03/07/2020

Project mission

The mission of Event Transport (ETRN) is to provide safe, secure and reliable passenger transportation to specific target groups and to enforce seamless vehicle access and parking operations at the stadium.

The LOS Vehicle Access & Parking Coordinator will be responsible for the implementation of Event Transport at the Host City. This role reports directly to the LOS Event Transport Manager .

Key responsibilities

Communication and cooperation

- Act as the local contact person with regards to all vehicle access and parking operations matters for all internal stakeholders and service providers
- Regular liaison with LOS ETRN Manager and with UEFA ETRN Vehicle Access & Parking Domain Coordinator
- Cooperate closely with event service providers on-site in order to guarantee the fulfillment of service requirements
- Systematic application of safety and security best practices defined by ACCS (Access Management) and SSNS (Safety, Security and Service) in terms of vehicle access and vehicle-pedestrian segregation

ETRN workforce responsibilities

- Support the recruitment of vehicle access & parking operations staff in the Host City
- Lead the vehicle access & parking operations in the Host City
- Implement and adapt all vehicles access and parking operations processes and procedures in accordance to guidelines from UEFA (ETRN, ACCS and SSNS) and service level agreements to venue and local specificities

Event-time responsibilities

- Coordinate all venue transport operations during the match days
- Ensure implementation of vehicle access and parking allocation and operational plans
- Coordinate service provider and deployment of staff during the operations
- Ensure application of vehicle access and parking best practices according to UEFA guidelines and service requirements
- Manage the local distribution of parking passes

Administration

- Support LOS ETRN Manager on the implementation and follow-up of project plans
- Oversee and manages parking inventory and distribution of parking passes
- Apply procedures with regards to cost control and supplier management in line with project guidelines

Profile of successful candidate

Must-have requirements

- Full professional proficiency in English (both oral and written) and in the local language of the venue
- At least one year experience working on a team
- One to two years' experience working in transport operations
- Excellent project management skills
- Service and solution oriented
- Excellent communication skills

Additional requirements

- Experience in guest management operations and customer service
- Strong leadership skills
- Negotiating skills
- Experience in managing suppliers
- Able to demonstrate ability to deliver complex projects within scope and budget and to non-negotiable deadlines
- Drivers licence B

Background information and requirements regarding the cooperation between the LOS and UEFA as well as general rules of conduct

- These topics will be formalized in the cooperation agreement which will be signed between UEFA and each LOS
- Several points will be covered, such as general rules of conduct (e.g. as a representative of UEFA EURO 2020, the candidate needs to embrace UEFA's values such as respect and integrity) or requirements regarding project reporting (e.g. the candidate needs to comply with general guidelines in accordance with UEFA's programme management approach)

Applications must be submitted to: cristina.toma@euro2020.com. The application file must contain: a CV in English, EUROPASS format, a passport photo of the candidate as well and a motivation letter. Applications must be submitted by 15th January 2020.
